From President's Pen

*" Education is not the filling of a pail,
but the lighting of a fire."*

William Butler Yeats

I am of the view that an Education System in a country is something we can bank upon for the upliftment of the society. We insist on high academic standards along with overall development of a student, value education in order to develop self-confidence & self-discipline, aesthetic appreciation and obtaining academic excellence. The goal is to strive for excellence and to provide an environment which nurtures the pleasure of discovery, learning, expression and communication, there by maximizing intellectual capacity and sensitivity of each student. We provide a vibrant curriculum which reflects on shifting out knowledge that is becoming obsolete and take the individual into the realm of co-existence with the immediate and future environs. We strive for quality education. Education shapes an individual in the formative years and inspires him/her with values that govern all choices in his/her life. So, we aim to empower students to discover themselves as who they are as an individual.

Gurmeet Singh Gill

From Chairman' Desk

*"Intelligence plus character
that is the goal of true education"*

Martin Luther King

People with education, vision and knowledge succeed in the battle of life. Our children are our future and an educated child will have greater opportunities to make dreams come true. They must be nurtured and given the right environment developing for growing up into individuals who can help in nation building and contribute towards the Welfare of the society.

At our school, we realise the full potential of your child, because we believe in education which is complete in all aspects. The aim is to make the children not only successful in life but also conscious of their duties and responsibilities towards their fellow citizens.

Hargurpreet Singh Brar

Few Words by Vice-Chairman

Albert Einstein once said, “Education is what remains after one has forgotten what one has learned in school”, We at “THE OXFORD SCHOOL OF EDUCATION”, try to create an environment for the children which concentrates on the overall development of the students. The school creates opportunities for the children where they are able to showcase their talents and build confidence to display their genius to the world.

“A good education is the greatest gift you can give to yourself or anyone else”, said

by Mahtab Narsimhan. These words best describe the magnificence of the School which has set a the benchmark among all the schools in its vicinity. We prepare the minds of our young children for the greater tasks. Our students have always outshone their competitors. We endeavor to provide education, with the help of a dedicated and committed team of teachers that permit our students to think and explore educational opportunities that lie ahead.

Parampal Singh Dhillon

View words by Principal

'The future of the world is in my classroom today'

The Oxford School of Education exemplify the fact that sky is not the limit in the pursuit of excellence we aim to promote a system of integral education in congenial child friendly environment that emphasizes the unity of all knowledge synthesizes humanity and Sciences and recognizes the fact that each child is unique we believe that education should enable the

students 200 morally, socially and spiritually our school curriculum also

allows our teacher's the flexibility to adopt innovative methods to stimulate interest and attention among the students and develop in them an appreciation for the value of the past the excitement of the present and the challenges of the future

At The Oxford you would find a wealth of learning opportunities that would serve as an essential stepping stone to a fulfilling life and career.

Roop Lal Bansal

"WE STRIVE FOR OUR PROGRESS

AND YOUR CHILD'S PERFECTION"

*"TOMORROW BELONGS TO THOSE,
WHO PREPARE FOR IT TODAY"*

**" EDUCATION IS NOT THE LEARNING OF FACTS
BUT THE TRAINING OF MIND TO THINK."**

ABOUT SCHOOL

Established in 2004, the lush green campus of 'The Oxford School of Education' stands Majestically on Barnala road at Bhagta Bhai Ka (Distt. Bathinda, Punjab). The School is enjoying affiliation status to CBSE since the year 2009, upgraded to the Senior Secondary level in 2012 with only the Science Streams. The faith that the parents showed in us and the subsequent growth prompted to add the Commerce stream in 2015 followed by addition of Arts stream in 2020. Since then, there has been no looking back. The achievements in the field of Academics have been commendable. Many Students have been awarded with merit certificates till date as they scored marks to the tune of 99- 100% in individual subjects, 10 CGPA in the CCE system and more than 97% marks in aggregate in the present system in class X as well as XII.

Thus , The School is "**Moving Towards Excellence**" steadily in the real sense of the world. This ascent is not only in academics but in Curricular activities and sports as well. Thus, each day spent by a student on the campus is a novel and enriching experience.

OUR VISION:

We believe that if environment is congenial and each individual's capabilities are valued , each child has the potential to achieve something significant in life.

We intend to create an environment where it is possible to discover the students' potential as learners, thinkers and leaders that can be groomed to become responsible members of the society. Our goal is to help children nurture a sense of harmony with the myriad colours of their lives with themselves, their families, their school life and the society at large.

We try to empower our Children and ensure that the **Toddlers who come to school holding their parents' hand with their little fingers, move out as confident individuals**, ready to face challenges that life throws at them.

OUR MISSION:

- To help the children grow spiritually, morally and socially so as to build a society proud of its heritage, diversity and values.
- To aim at academic excellence and to imbibe in them the habit of independent thinking.
- To constantly implement the best practices in education, identify areas of opportunities and make strategies for the path ahead.
- To make each learner a truthful, honest and responsible citizen of India.

Re-Orientation Program for Staff conducted from Time to time (Primary & Middle)

Re-Orientation Program for Secondary & Senior Secondary Members for staff

- ❖ Every child needs holistic development
----- We ensure that in our **sports fields.**
- ❖ Every child has right to access the best academic standards--
-----We provide the **most competent staff.**
- ❖ Every Child grows through integrated education rather than syllabi-oriented teaching.
-----We provide diversified curriculum with experiential learning methodology
- ❖ Every Child has the desire to study in good public school
-----**We transport them.**
- ❖ Every Child is curious by Nature
-----We allow him to experiment his ideas in **ATL (Atal Tinkering Lab)**

SPECIAL FEATURES

Individualized attention to all types of learners

Experiential and child centric teaching learning processes

Focus on developing interpersonal skills

Special focus on mannerism and etiquette

A well organized and secular institution

Highly experienced and compassionate staff

A well planned and organized system of online classes to keep going during times of Covid

Highly Sensitized Environment For Covid related Instructions & Precautions

• KIDS SECTION

- **Tastefully decorated Classrooms** which make a perfect ambience to allure children to school.
- **Spacious Activity Hall** to promote learning - by- doing and honing the inherent skills.
- **Loving and caring Environment** with two care takers in every sections.
- **Hot cases** for keeping food warm and fresh.

- **Air conditioned class rooms** to make the little ones comfortable.

- **Smart Boards & LEDs** to make the teaching learning process interactive, full of thrill and actions.

- **Latest design, colourful lavatories** for boys & girls separately.

• ACADEMICS:

- At 'The Oxford' it is believed & ensured that a **teacher is an awakener & a facilitator** who treats every child as his/her own & imparts education impartially
- The environment at 'The Oxford' is oriented in a manner that it is the most congenial & ideal place for learning & holistic development of students. To ensure this, there are:

Language lab- which provides a platform to master the skills of effective communication & oratory, along with ability to listen, read & write

impressively.

Atal Tinkering Lab (ATL) - An endeavor, developed with the help of Government, to promote the young scientists of tomorrow by providing sufficient hands -on experience under the able guidance of capable instructor.

Smart Classes - Which have brought diametric change in the teaching -

learning process. Learning is not only enjoyable now but more informative as well . Additionally, it has enabled teachers to have an instant digital assessment system

Conference Hall: The School has a Conference/ Multimedia room with the seating capacity of more than 100 students where they can attend live classes, seminars and also interact with experts from time to time. It has excellent sound system , projector, Audio & visual aids with high- speed Internet facility .

Multipurpose Hall: A well ventilated & furnished multipurpose hall with the seating capacity of 500 persons is available to conduct various activities like Dance competitions, religious functions, seminars, Olympiads & other examinations.

Music Room: There is spacious & fully equipped music room where students can nurture their kinesthetic skills.

Art & Craft Room: A well decorated and spacious Art room allows students to exhibit their imagination through art & craft.

Computer Lab- has sufficient number of computers to accommodate 40 students in one go. This facility is provided right from class 1 onwards, so that the students are able to overcome all inhibitions regarding usage of ICT.

Science Labs- Which are fully equipped to accommodate all Senior Secondary students and facilitate practical work in subjects of Physics, Chemistry & Biology, separately as per CBSE Guidelines.

**Students at
work in the
Labs**

CHEMISTRY LAB

BIOLOGY LAB

PHYSICS LAB

Library-

"Library is not a mere collection of books....."

A Good Library gives life to an Institution."

The school has a well stacked library with approximately 11500 books with including encyclopedias, dictionaries & various reference books.

An efficient& qualified librarian ensures that they are put to use by the students of all grades.

Remedial Classes: The School doesn't promote tuition culture and discourages even weaker students and their parents against taking private tuitions after the school hrs. In case, a particular student needs some extra help, effort is made to provide the same during the school hours or even after the school hrs free of cost for slow learners as well as gifted students.

• Co-curricular Activities:

The best form of learning happens when **one observes, interprets and does things practically**. Every class has **Subject Heads** for various subjects who prepare & teach their fellow students. This not only boosts their confidence level but also helps them to have better understanding of the subject.

Also, most of the topics are taught through **activities, projects & field visits** which enable the students to have a better understanding and better retention along with experiencing the joy of learning.

- **Extra Curricular Activities:**

The School has four houses viz **Shaheed Bhagat Singh, Shaheed Kartar Singh, Shaheed Udham Singh & Shaheed Chander Shekhar** through which various Competitions such as Debate, Art & Craft, Quiz & Literary activities etc are conducted to provide learning experiences which enrich the educational and social development of students.

Thematic Morning Assemblies are conducted on rotational basis to give opportunity to the students to boost their confidence and to express themselves without fear & hesitation. Also classroom activities like:

- **Poem Recitation**
- **Poetry Writing**
- **Shabad Gayan**
- **Solo and Group dance**
- **Reading Competitions**
- **Calligraphy Competitions**
- **Drama**
- **Choreography**
- **Quiz**
- **Class decoration etc.**

are organized which promote the overall development of the students.

The school organizes **Cultural Shows** and **Sports Meet** on annual basis.

GLIMPSES OF EXTRA CO-CURRICULAR ACTIVITIES

➤ Prefect Council

Students are the leaders of tomorrow. They need to be taught the Administrative skills in the school itself. The school prefect council comprises of Head Boy, Head Girl, the House Captains & Vice- Captains, Discipline Incharges , Sports Incharges from all the four houses with Principal as the chief Administrative officer who provides guidance & training to the young administrative trainers who in turns helps to organize various events effectively, maintaining discipline & many other tasks.

The Literary Club:

holds various competitions from time to time to promote interest in various languages and master them. All religious and social festivals are celebrated with pomp & show and house wise competitions are held.

"Yoga is not a religion, it's a science:

Science of well being , Science of youthfulness

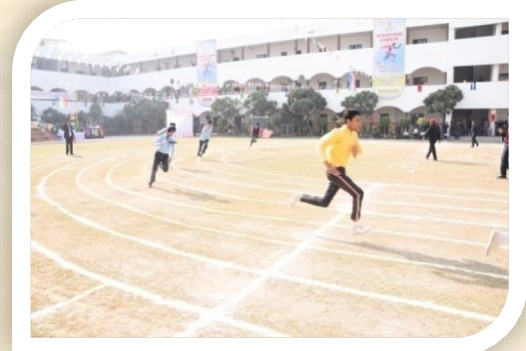

Science of integrating mind, body & soul."

- **Sports& Games :**

➤ **Spacious grounds** made as per the specifications to ensure that students get sufficient place and guidance to play various sports & games like football, hockey, basketball, volleyball& kho-kho etc.

Also, **YOGA Classes** are held on weekly basis to ensure that the Soul, Mind & Body are integrated towards self control , improvement& Self contentment.

- **Special coaching** in various games and sports is provided in summer break for all the students free of cost. Students participate in various Inter School Tournaments that are held on District, State & National levels.
- The teachers ensure that the students bring & take **healthy food**. Various Competitions like Food-Fest, Salad Decoration etc, are arranged from time to time.
- **Teachers take food along with children** in the classes so that every student brings food thus making them healthy diet conscious.

- **Other Facilities:**

1. **Lush Green Campus** - ensures that the children breathe in pure and fresh air.

2. **RO Water facility** - is provided to ensure that children drink Hygienic, Bacteria free & cold water which gives respite from sultry heat in summers.

3. **Transport:** The school has a fleet of 60 buses managed by an efficient School Transport Department It is ensured that the guidelines of **Safe School Vahaan Scheme** (SSVS) is followed to the maximum extent & the buses are driven by experienced drivers. Also, active and trained conductors are there to look after the safety of children . **Free of cost Van facility** is provided to the staff commuting from far off stations like Kotkapura , Bathinda etc.

4. **CCTV:** Latest High Definition, Coloured Night Vision Cameras have been put through out the campus to ensure security of the students 24 x 7.

5. Wellness Room : Medical room with all the needed apparatus is looked after by a trained Medical Assistant/Nurse who is present on the campus on full time basis to provide first-aid & immediate help in case of Medical emergency before the child is taken to the hospital.

6. Ramp: A newly designed and beautiful constructed Ramp is available to facilitate movement on all the floors.

7. Power Generator Facility: To avoid the electricity power interruption in school campus, backup power generator facility is there by 24 x 7

8. Security: To ensure the security of our students the school has a strong team of security guards who are available in school campus 24 x 7
